I would be delighted if you are able to join me to celebrate this special occasion. I am really looking forward to the party and I hope you are too!

There is no expectation of a gift, but if it is your intention to do so, then you may like to consider using the timto service.

timto is a simple online service that makes it easy for friends to group together to contribute towards special gifts. It also enables me to *donate* a proportion of the total amount contributed to my chosen *charity*.

You can also use the service to RSVP and to post a message on the celebration page.

How do I use the service?

The service is secure, quick and easy

Step 1: Go to www.timto.co.uk/celebrations & click 'find a party'

Step 2: Enter the code and password

Step 3: Either click on the

- 'Green' button to contribute & post a message
- 'Orange' button to post a message

Notes:

- The individual amount contributed cannot be viewed by the host or other guests.
- If you post a message this is viewable by all guests.
- A small administration fee applies when a payment is made.
