How will you 'thank your teacher'?

flowers? chocolates? or, could we...?

- ✓ Fun with classmates
- ✓ Quick and easy
- ✓ Memorable gifts
- ✓ Free to set up
- ✓ Help others

### Thank your teacher together with timto teacher

timto enables pupils and their parents to thank their teacher in a special way.

Classmates can write their own personal thank you message on the keepsake memento page and contribute online towards a collective gift.

This way the whole class can act together to give a truly memorable gift. Just imagine giving a trip to the theatre, a kindle, or a gift voucher so that the teacher can buy their perfect gift.

Better still, a donation is made from each collective fund, so school PTA's and charities can benefit too!

#### This is how it works:

25 classmates (& parents) contribute a total of £125 to Mrs Williams' fund. £115 is spent on a luxury spa day and £10 is donated to the chosen charity.

#### Little extras:

- The individual amount contributed cannot be viewed by the teacher or others contributors
- Free timto leaflets for every teacher page
- A gift that lasts a lifetime
